"ABD media are becoming very popular in the Irish wedding DVD market"

Movie Standard Videography - www.abdmedia.com

With our wedding videos shot with our Sony HD Z1 (High Definition) broadcast quality cameras we set out from the beginning to give you perfect clarity and sharpness in wedding dvd and wedding video. We will then edit in our pro-editing suite to produce your wedding video. We are discreet on filming all our wedding dvd and we are there to capture all of the days events with style and elegance. We produce top drawer wedding dvd movies and our style is quite unique and unobtrusive with an eye for detail. With our continued success and recognition in film and editing we endeavour to put a great deal of effort into your final wedding movie. Our clients are part of our success and we regularly work with WeddingTV (channel 266) on the SKY network in supplying content and wedding video to them.

All Wedding dvd's are filmed with our Sony HD (High Definition) broadcast cameras and then edited with our state of the art editing suite. All your wedding day memories captured with ABD Media's Wedding DVD. www.abdmedia.com
